Fellow Federal Workers:

The Combined Federal Campaign is our annual opportunity to respond to urgent needs in our communities, our nation and our world. Through your contributions to specific CFC agencies, you offer vital support to programs that touch both our lives and the lives of many around us, on a daily basis - all year round. The generosity that has been traditionally demonstrated by Miami Valley federal employees through the CFC has made our campaign one of the largest and most respected in the nation.

Our campaign theme this year is "Neighbors Caring and Sharing," reflecting how your generous gifts can make a significant and lasting impact for good in the lives of others. In fact, your contributions make a double impact - by directly providing individuals with needed help, and also by lifting their spirits through communicating, in a very tangible way, that they are not alone in facing life's challenges.

In this Contributor's Information Guide, you will find listed those agencies that provide this vital support, including over 300 located right here in the Miami Valley. Through CFC, your contributions go directly to those agencies that you designate - so you are able to make a personal statement of support to those agencies in which you have the strongest commitment, and in response to specific areas of need.

I encourage you to participate generously in the CFC this year. I can assure you that your contributions will make a positive difference in someone's life - maybe in many peoples' lives. Together, we can show that we care by sharing. Thank you for your support of this year's Miami Valley Combined Federal Campaign.

Frank O. Tuck, SES
2003 Chairman
Combined Federal Campaign

THE CFC: ITS STORY AND MISSION

*The mission of the **Combined Federal Campaign (CFC)** is to support and to promote philanthropy through a program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.*

With a tradition of commitment to the community through the selfless efforts of Federal employees, the CFC has its roots in the many charitable campaigns of the early 1960's. Seeing a need to bring the diversity of fundraising efforts under one umbrella, Federal employees created the CFC—one campaign, once a year. By allowing employees to select the organizations of their choice from a single brochure and to make their contributions through payroll deductions, the CFC opened wide the door to more opportunities for generous giving to literally hundreds of worthy causes. An Executive Order made the CFC a reality, and turned an innovative idea into a uniquely effective way for Federal employees to help those in need across our community and throughout the world. *The CFC is the only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations.* It continues to be the largest and most successful workplace fundraising model in the world.

You Accomplish So Much With Your CFC Gift

This year, many local, national, and international voluntary agencies will benefit from your thoughtfulness and generosity. A few minutes of your time today can mean meals for hungry children, relief for families in need of counseling, further work on cures for diseases, comfort for the dying, access to water in the Third World, environmental protection, and better lives and renewed hope for millions of people in our global community.

Payroll Deduction Lets You Help All Year Long

Payroll deduction makes it convenient for you to give by letting you spread your contribution across the entire year. Last year, more than 90% of all CFC funds raised were given through payroll deduction. Payments on payroll deduction pledges begin on the first pay period in January. Because there is no simpler way for you to make good things happen for so many people, payroll deduction helps you care for your community and your world.

You Control Where Your Gift Will Go

All Federal employees have the right to contribute or not to contribute to the CFC. The choice is yours. Through your designation, you ensure that your donation goes to meet those needs that you feel are most important. You may designate to the organizations of your choice where indicated on your pledge card. Additional designations must be completed on a second pledge card. Except for documented expenses for the operation of the local CFCs and uncollected pledges, all contributions are distributed as designated. Every local campaign has a Local Federal Coordinating Committee, comprised of Federal employees, which must approve and monitor campaign expenses.

Please do not designate to an organization that is not listed in this brochure. Adding organizations not listed, or "write-ins", is prohibited and donations to such organizations cannot be accepted. If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed envelope. All funds contributed to the CFC that are not designated to a specific organization or federation will be distributed to all organizations listed in the CFC brochure in the same proportion as the contributions designated to them.

How do Charities Qualify for Listing in the CFC Brochure?

All charities listed applied for participation in the CFC either at the national or local level. National charities with documented programs in at least fifteen states or a foreign country applied directly to the U.S. Office of Personnel Management (OPM). Only those agencies certified by OPM are listed in this brochure in the "National/International Organizations" and the "International Organizations" sections.

The Local Federal Coordinating Committee (LFCC) is Your "Board of Directors"

The Local Federal Coordinating Committee (LFCC) approved local and statewide charities that help residents in this area or in adjacent counties as having met the eligibility standards established by the CFC regulations. The LFCC is composed of Federal employees and representatives of labor unions with Federal employees as members. Decisions regarding the inclusion of charities in your local campaigns are made by the LFCC. LFCCs are also responsible for the oversight of your local CFC in conformance with the CFC regulations and policies established by OPM.

The Principal Combined Fund Organization (PCFO) Manages the CFC

Every year, the LFCC selects one of the voluntary organizations involved in the CFC to manage the campaign and serve as fiscal agent. OPM sets strict requirements for this role. Annual audits are required of the PCFO by an independent CPA.

A Proud Record of Low Fundraising Costs

Through the outstanding oversight efforts of the Federal employees on each LFCC, approximately 8.9% of the funds raised

nationwide are spent on printing materials, training volunteers, and auditing contributions.

Because this cost is so low compared with other fundraising campaigns, every dollar you pledge goes a very long way toward helping others.

Contributions (less uncollected pledges and approved administrative costs) are distributed to each charity at regular intervals by the Principal Combined Fund Organization in accordance with CFC regulations.

OPM Provides CFC Oversight

OPM has the overall responsibility for the oversight of the CFC. It reviews and provides guidance and technical advice on regulations, and has the authority to conduct compliance audits on any CFC local campaign fiscal records.

If you would like more information about the finances, services, benefits or programs an organization provides, you may contact the organization directly using the information provided with their listing in this brochure. Interested donors may also obtain information about a charity's finances and compliance with charitable organization standards of accountability by contacting the Better

Business Bureau's-Wise Giving Alliance (www.give.org). For general information about trends in giving and volunteering or data on the nonprofit sector, donors may contact: USA Freedom Corps (<http://www.usafreedomcorps.gov/>), Independent Sector (www.independentsector.org), the National Center for Charitable Statistics (www.nccs.urban.org), or the American Association of Fundraising Counsel (www.aafc.org).

The Voluntary Spirit of Giving is Guaranteed

Remember, any contribution you make should be freely given. You have the right not to be improperly influenced in making your decision regarding the making or withholding of contributions in the CFC. Coercion is forbidden.

In order to guarantee this voluntary spirit, OPM has identified several practices that are not permitted, including but not limited to: supervisory solicitation of employees supervised, setting of 100% participation goals, providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and installment pledges, establishing personal dollar goals and quotas, and developing and using lists of non-contributors.

Civilian employees who wish to register complaints about coercion should contact the LFCC and consult with their personnel offices; military personnel should consult with their commanding officers.

Special Notice Regarding Donations of \$250 or More

A Federal employee who makes a one-time (cash, check, or money order) contribution of \$250 or more and those who make a payroll deduction contribution of \$250 or more *per pay period* to a single organization in the CFC should consult a tax adviser to determine if additional verification of the donation is required by the Internal Revenue Service (IRS). Such verification can be obtained by contacting the local CFC office. For a list of local campaign offices and contact information, visit the CFC Home Page.

HOW MUCH SHOULD I GIVE?

Many ask this question. The decision to give and the amount is up to each individual. This guide simply says:

Generous personal giving is needed to support many voluntary agencies in the CFC.

Payroll deduction makes generous giving possible for most of us. Please give as much as you can.

SHARING IS IMPORTANT!

Pillar Giver

An individual who contributes one hour's pay per month over a year will receive a custom-designed CFC ceramic coffee mug.

Double Pillar Giver

An individual who contributes two hours pay per month over a year will receive a CFC coffee mug plus helicopter pen.

Leadership Giver

An individual who contributes \$1,200 or more will receive a world time calendar clock and calculator desk set with pen.

How to Make a Gift

Please use a ball point pen and press firmly. All information must be legible.

Using the suggested giving guide for giving amount, divide by 26 for civilians and 12 for military to determine the payroll allotment figure per pay period. Please round numbers.

Military: Show amount to be deducted each month (minimum is \$2.00 per pay period), times 12 = total gift.

Civilians: Show amount to be deducted each pay period (minimum is \$1.00 per pay period), times 26 = total gift.

For Cash/Check Contributions: Fill in annual total amount. Make checks payable to COMBINED FEDERAL CAMPAIGN.

It will be helpful to the CFC auditors for you to provide a daytime phone number where you can be reached in case there is a question about your pledge card.

THE BEST WAY TO CARE

There are millions of reasons to give to the CFC, and each one has a name and face. Helping people is what the CFC is all about, and giving to the CFC is the best way for federal employees to change the lives of people in need. Your gift to CFC is strictly voluntary. No one can force you to give. It's your choice. But while you're making your decision, think about some of the people your contribution can help...

- *A \$26 contribution buys 400 pines trees for elementary school Arbor Day programs.*
- *A \$35 contribution feeds a family of four for three days from a local food bank.*
- *A \$52 contribution provides 14 days of shelter for a homeless person.*
- *A \$260 contribution purchases equipment and supplies to support volunteer water quality monitoring.*
- *A \$520 contribution provides medical supplies, drugs, and oxygen for 14 transports.*
- *A \$2,000 contribution assists one person with the purchase of a wheelchair or leg braces.*

Answers To Frequently Asked Questions

WHAT IS THE ADMINISTRATIVE COST OF OUR COMBINED FEDERAL CAMPAIGN?

For 2002, the total administrative and fund-raising expense for our CFC was 6.2%.

ARE CONTRIBUTIONS TAX DEDUCTIBLE?

Yes. For one-time donations under \$250 and payroll deduction pledges under \$3,000, your payroll stub or canceled check is acceptable to the IRS. For one-time cash/check donations over \$250, you should contact your CFC office (257-0292) to arrange for certification of the donation that is required by the Internal Revenue Service (IRS).

WHY SHOULD I SUPPORT THE CFC?

Because each agency has been certified by a committee of Federal Employees, ensuring its legitimacy. You can give continuously throughout the year. A unified Combined Federal Campaign can raise more funds for charitable agencies than can be raised through unorganized direct giving. CFC protects the Federal employee from year-round in-the-workplace solicitation by charitable agencies.

WHY NOT JUST GIVE DIRECTLY TO THE AGENCIES?

There are several reasons that the CFC is among the best ways to give to charity. All agencies and federations are carefully screened and meet strict but fair requirements. Giving through the CFC allows you to use payroll deduction, thus increasing the amount of money you can afford to give to your favorite charity. Undesignated money is distributed according to the percentage of money designated to the agencies. Therefore, your designated gift allows your favorite agency to receive a percentage of the undesignated money. The fact is that most of us are too busy to research charities and make contributions. CFC makes it easy for you.

I NEVER USE AGENCY SERVICES, SO WHY SHOULD I GIVE?

You never know when you, a member of your family, or a neighbor may need a CFC agency service. Job loss, loss of a loved one, illness, disabilities, family problems, mental disorders and the problems of growing up and growing old know no boundaries. Your gift helps ensure that services are available when they're needed. Anyone who has been involved in Scouting, taken a Red Cross first aid course, learned to swim at the YMCA, or breathed cleaner air has been served by a CFC agency.

WHAT IS THE CONTRIBUTOR'S INFORMATION GUIDE ?

The Contributor's Information Guide contains a listing of all the agencies that applied and met the government criteria. It includes information on the services they provide and the four-digit agency identification code number. The Contributor's Information Guide should be available to every employee in the organization.

WHO DETERMINES WHERE MY CONTRIBUTIONS GO?

You do! If you designate, your gift MUST go to that charity. By regulation, all designations must be honored. Write-ins are not permitted.

WHAT IF I DO NOT DESIGNATE?

Undesignated donations will be distributed among the charities in the same proportion that the charities received designated contributions.

WHAT HAPPENS IF I COMPLETE THE HOME ADDRESS SECTION ON THE PLEDGE FORM AND INDICATE THAT IT BE FORWARDED TO THE AGENCY I DESIGNATE?

If you complete the appropriate section on the pledge form, only your name and address will be forwarded to the agency(ies) you designate (please fill out the form carefully with a legible, complete address). Your contribution amount cannot be released to the agencies. Many times they choose to acknowledge your contribution, and may add your name to their mailing list. It is up to the federation or agency to acknowledge your gift, and remember that it may be well after the campaign because of the timeline of the quarterly payouts they receive from CFC. Charities that are part of CFC agree to treat your name and address as confidential; neither they, nor CFC, will ever sell or release your name to any third parties or vendors.

ISN'T THE CFC THE SAME THING AS UNITED WAY?

While the campaigns are usually conducted at the same time, the CFC Campaign and the United Way Campaign are two separate and different campaigns. Only federal employees participate in the CFC, and they may contribute to over 1,600 agencies which includes local United Way agencies as well as federations and unaffiliated agencies on the local, national and international levels.

Federations

Introduction

This is the official Combined Federal Campaign (CFC) brochure. Charitable organizations appearing in this brochure have complied with regulations, set forth at 5 CFR Part 950, governing their participation in the CFC.

The brochure consists of a National and International List of organizations, approved by the OPM and a Local List of organizations, approved by the LFCC. Organizations appear on these lists based on the scope of their programs. Each organization entry includes the following information: organization's name and code number, statement of purpose, phone number, website address, legal name of the organization in parentheses if it is doing business under another name, the employer identification number ("EIN"), and the percentage of fundraising and administrative costs as a percentage of total revenue. The EIN# has been added to provide donors another point of reference if you wish to obtain information about an organization's finances from the IRS (1-877-829-5500). Please note that some organizations may be covered under an umbrella organization's tax exemption status and may not list the EIN#. Religious organizations are exempt from the requirement of having an EIN#.

Types of Organizations Listed

Federations are voluntary charitable human health and welfare organizations established for purposes of supplying common fundraising, administrative, and management services to its members. Each federation is listed with its accompanying members. If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding code number on your pledge card. Contributions designated to a federation will be shared with their member organizations in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to a federation member organization, please record that organization's corresponding code number on your pledge card. Charitable organizations participating in the CFC as members of a federation may pay a percentage of the donations received or a fee to that federation as a service charge. For additional information on whether a charitable organization pays such a fee and/or percentage of donations, you may wish to contact the either the federation or the member charity directly.

Unaffiliated organizations are not affiliated with a federation for the purposes of their participation in the CFC. If you wish to designate all or some portion of your contribution to an unaffiliated organization, please record that organization's corresponding code number on your pledge card.

International General Designation Option

If you wish your contribution to be distributed proportionately to all international organizations that received designated gifts, you may do so by recording the code letters **III** on your pledge card.

Undesignated Funds

Even if you choose not to designate to a specific agency or federation, your contribution will still be accepted. Funds contributed to the CFC, but not designated to a specific organization or federation, will be distributed to all organizations in the CFC brochure in the same proportion as they received in designations. Organizations that do not receive designated dollars cannot receive any donations.
